Did you Know?

There's so much going on these days at Therapy Track – so we want to make sure our Remedies readers have all the latest scoop! Check out these exciting news items and tips about how our **daily and monthly analysis tools** can help point you in the right direction!

Therapy Track can actually **reduce cancellations and no-shows!** With Therapy Track, staff members are more focused on meeting targets and are more likely to check in with patients ahead of time to confirm or encourage appointments or offer same-day rescheduling.

Therapy Track's cost savings can result in **"found money"** in your budget that you can use to purchase equipment, increase staffing, or invest in educational extras!

Therapy Track is about to roll out a user reward program with **free Starbucks coffee cards** for staff members!

Therapy Track enhances managerial style by offering a **diverse toolbox** of reports and statistics that managers and directors can use with administration and staff.

Therapy Track will be offering **benchmarking** information in the near future! Our customers will be able to measure and compare their performance with organizations that are leaders in the same area.

Therapy Track currently tracks more than **40 different measurements** that cross 14 different types of therapy departments and cover more than 30,000 beds across the country. (Pst, are you tracking everything that you could be? Did you know you can add more measurements to your program at no additional cost?)

Therapy Track has a **30-Day Free Trial** offer going on these days – so be sure to pass this newsletter along to colleagues that you think might be interested in taking advantage of all the great features we have to offer!

Stay tuned for more exciting announcements over the coming months! Visit us at www.therapytrack.com to stay up to date on all our latest news.

Therapy Track's motto is:

If you can't measure it, you can't reward it. If you can't reward it, you can't improve it.

the power of real time information!
