New Book for PTAs!

Second Edition Provides Helpful Information for PTAs.

Check out this book written specifically for physical therapy assistants. "The aim is to go beyond technical explanations, and rather to stress critical thinking skills along with the application of the principles of orthopedics."

The Power of Real Time Information

Are you getting all you can out of Therapy Track's powerful, real time information?

Therapy Track is designed to make your life easier! As a director or manager of a therapy department, you spend a lot of time generating reports, tracking staff efficiency, and keeping track of a million things. With Therapy Track, you can:

- Get instant daily department information, including staff productivity and RVU cost;
- Generate daily, monthly, quarterly, and annual reports with ease;
- See how specific venues or teams are performing as a group;
- Provide timely feedback to your team;
- Save time in your day by balancing and organizing your management duties;
- Create easy to understand charts that show overall trends; and
- Save hospital dollars and reduce departmental costs to the hospital.

And Therapy Track is perfect for presentations, reports, team building seminars, and staff training.

Therapy Track's motto is:

If you can't measure it, you can't reward it. If you can't reward it, you can't improve it.

Therapy Track Products are: **REAL TIME INFORMATION**

Real Time Productivity
Real Time Staffing
Real Time Cost Control

FUTURE PRODUCTS
